To the Auditor of Public Accounts

The City of Norton regrets to inform you that it will be submitting its Fiscal Year 2012 Audit Financial Statements and Fiscal Year 2012 Comparative Report Transmittal beyond the November 30, 2012 deadline as set by Section 15.2-2510 of the Code of Virginia. By missing the deadline, we understand that we will not be included in the electronic version of the 2012 Comparative Report of Local Government set to be published early next year. We anticipate that submission of our reports to the Auditor of Public Accounts will occur no later than the end of January 2012.

Delayed submission of the above referenced reports is primarily due to personnel changes within one of our component units, the Norton City Schools. No further delays are anticipated at this time and Thrower, Blanton, and Associates are in the final stages of the audit process.

Thanks in advance for your consideration in this matter.

Sincerely,

Fred L. Ramey, Jr.
City Manager
